IPART Special Variation Submission Form - Applications

Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2021-2022
Document Reference	
Council	Armidale Regional Council, Special Variation Application
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	My husband and I are living on the aged pension. We own our home. We cannot afford the rate rise. Rents will also increase to cover the rate rise. ARC must also live within the budget. Mismanagement from the council, (not the current councillors is the problem.
Your comments on Criterion 1:	I do not agree with the increase.
Your comments on Criterion 2:	Council must make the necessary cuts to balance the budget.
Your comments on Criterion 3:	Many Armidale residents and businesses will be adversely impacted by the rate rise.
Your comments on Criterion 4:	Noted
Your comments on Criterion 5:	The explanation is irrelevant, council must function within the budget.
