Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	Lismore can not take this ridiculous rate rise. We are constantly losing small businesses. The economy of Lismore is crippling under the financial pressures. We will lose more businesses which means more job loss in an already crippled town. I grew up here and there are now roughly half the amount of shops than there were 11 years ago. Businesses and residents of Lismore cannot afford this astronomical rise in rates. Lismore council members and the mayor need to be more responsible with funds and prioritize correctly.
