Submission: I submit to request no amalgamation of City of Sydney into a larger entity incorporating surrounding councils. My experience is that Sydney is currently an agile, progressive, human-scale council doing a great job of making Sydney liveable and loveable.

I have experienced council amalgamations in the past and they have invariably led to a deterioration of accountability and services.

**PLEASE DO NOT APPROVE AN AMALGAMATION OF SYDNEY INTO A GIANT, UNWIELDY, CONFUSED TEMPLATE.**

Thank you.
