

Author name: R. Olliffe

Date of submission: Thursday, 14 February 2019

Submission: The pressure on families is already stressful enough... this will just add more ...7% over 7 years is more than enough [REDACTED].. and will see more than a 50% increase by the end of it every quarter! [REDACTED]
[REDACTED] rate payers be punished and forced to foot the bill for a law suit over drainage that council were told it would never win! It needs to stop!
