Re:-
SUBMISSION to IPART with regard to Clarence Valley SRV.

Dear sir or madam.

As a resident of the Clarence Valley, I am writing in regard to the huge 37% increase in rates the Clarence Valley council is asking for.

We are one of the highest of all in NSW when it comes to raised rates.

As a retired nurse, and becoming a senior citizen, there is NO way I can afford to pay this huge rate increase that council are asking for, because of their continual stuff ups.

If this rate rise is granted, it will force me, and a lot of other seniors out of their homes, and maybe some onto the streets to survive.

I am battling huge health issues and this is causing me more stress.

Please reject this huge rate rise, this town is struggling now, with a high rate of suicides, unemployment because of industries closing down, an ageing population, and lack of employment opportunities.

Please REJECT this huge rate rise.

Yours sincerely,

Robyn Shelley.
