Subject: Wingecarribee Shire Council

Council recently sought ratepayers feedback On future funding for capital improvements.

The response rate was low and believe the responses do not provide a mandate to council for the huge rate increases proposed.

Ratepayers are very sensitive to the Council losses suffered through the investment with Lehmann Bros. It is not the time to be asking ratepayers to bail them out.

We ask you to mediate any rate increase on behalf of ratepayers.

We oppose any rate increase.
