Subject: SPECIAL RATE VARIATION APPLICATION BY RANDWICK CITY COUNCIL

Dear Ms. Garnier,

NOTICE OF INTENT BY RANDWICK
CITY COUNCIL
SPECIAL RATE VARIATION
APPLICATION

We reside in [REDACTED], a suburb in the Randwick City Council administrative area.

We wish to lodge a formal objection to the rate rise proposed by Randwick City Council.

We did lodge an objection in the community feedback sought recently by the council.

Despite the fact that many rate payers objected to the rate rise the Council maintains that the majority of the rate payers supported the third option i.e. a cumulative rate rise of 19.85% over the next three years to service a debt of \$27 million.

This conclusion arrived at, following the feed back by the Council is erroneous.

May we suggest that IPART should inspect the feasibility of the rate rise and the results of the feed back comprehensively and without prejudice and advise the Council against the special variation to raise the rates.

Thank you.

Regards,

Mr. Ramesh N. Telang.

Mrs. Vidya R. Telang
