Subject: Objection to amalgamation of councils with City of Sydney Council

To Whom it may concern IPART

I am a ratepayer living in Glebe. I feel that the City of Sydney Council is big enough, even now it is sometimes hard for residents to feel they are being heard on local matters.

Amalgamation would create an impersonal council unable to be aware of local issues & residents would feel disempowered & not feel that the Council was there for them.
Bigger is not always better.

The residents in City of Sydney are happy as things stand. Please leave our Council alone it is doing a great job.

Yours faithfully
