RE: Objection to Ashfield Municipal Council Special Rate Variation

I write to you as a property owner in the Ashfield Municipality to voice my objection to Council's adoption of a Special Rate Variation, and to implore IPART to reject Ashfield Council's application for such a variation.

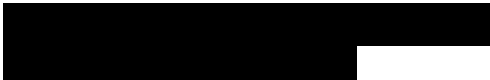

Ashfield Council has consistently under-performed for the past 20 YEARS and has provided little, if any, support for the growth and development of the Ashfield district. Little wonder Ashfield's strip shopping centre, in Liverpool Rd, has been in a state of decline during this time.

I would be grateful if you would notify me of your decision regarding Council's request for a Special rate Variation.

Yours faithfully
