Subject: Fit for the Future: City of Sydney Submission

Dear Ipart

I support the City of Sydney's submission to your enquiry on Council boundaries.

The proposal to amalgamate the City with Botany, Randwick, Waverley and Woollahra makes no sense. This mega-council would have a population the size of Tasmania but no extra responsibility or authority. The NSW Government has not produced any evidence that amalgamations lead to better efficiencies or financial outcomes.

Leave the boundaries as they are.

Residents do not support the amalgamation and fear a reduction in the quality of services.

Regards

Stephen Auburn
