

Author name: S. Burkett

Date of submission: Tuesday, 5 March 2019

Submission: I'm writing because as a low income earner a 7% hike in rates is just too high and would push me beyond my budget . I leave me with not much money to live on. I think the council is being unreasonable with this and is trying to get money to pay for all their legal costs from court events that they have lost.

My name is mr Steven burkett.
