Subject: Not a mega council

Dear Sir/Madams,

I am writing re Leichhardt Council and the proposal to combined councils. I am NOT in support of this and would like Leichhardt Council locale area to remain as is. I am concerned that a larger council will not be as good at representing and hearing and addressing our local interests. I apologise that this is just after the deadline of 31 July. I had some trouble finding where to submit my concerns on your website. I hope you might include my opinion as a resident in the affected area.

Sincere thanks,

Susan Connor
