Subject: rate rise
Date: Monday, 10 March 2014 1:26:15 PM

I am totally against this rate rise application because I believe this council does not spend ratepayers money wisely. Too much is wasted on Councillors trips, on sporting bodies the ridiculous amount being spent on the Foreshores upgrade and far too much on consultants. I would join with others in the call for an administrator to take over this Council.

Yours Sincerely,

S.Mathews
