Dear Sir/Madam,

I wish to register my opposition to the proposed amalgamation of the City of Sydney Council with other surrounding councils. Anyone who lives within the current boundaries of the City of Sydney knows that our services are first class and that Clover Moore has led her team exceptionally well to achieve the success we all enjoy. As a resident of Redfern, we have enjoyed many City of Sydney instigated developments under this current Council, including the upgrading of parks, pools, street development, cultural life and safety in our neighbourhood. The list of achievements is endless. I fear that if the zoning is extended to include surrounding councils to form a mega council, the ability to service the constituents will diminish. The boundaries within the current City of Sydney do not need to be altered.

Yours sincerely,
TRISH BOOTH
