Subject: Clarence Vally Council special rate variatoin
Date: Monday, 12 March 2018 5:35:24 PM

My name is Thornton Fallander I own [REDACTED]

I want to object in the strongest way I can to Clarence Valley Council's special rate variation proposed to start this year and go up over the next 3 years !

Since the forced amalgamation we have gone backwards, we had a special rate variation in owe favour when we were Maclean shire council

It is criminal if council get this variation

Yours sincerely Thornton Fallander
