Submission: I have been an owner/occupier & rate paying resident in the CBD since 1999 and have seen many Councilors & Lord Mayors come & go.

As a founding executive committee member of Haymarket Chamber of Commerce, I have also had the opportunity to meet and work with some of them and don't make these statements without knowledge.

I can honestly say without hesitation that Clover Moore has done more for the City of Sydney and its residents than the previous 3 Lord Mayors combined and she has my families unflinching support.

This submission is to fully endorse the current City of Sydney Council under Clover Moore's stewardship as "Fit for the Future" in its current size and capacity. Any proposed amalgamation with other councils would be detrimental to the precinct and its ratepayers.

My family strongly rejects any changes to the current council boundaries and we are concerned about the long term effects if changes were made. Our voice will be heard at the Polling Booth at all levels of Government if IPART push this agenda.

Sincerely,  
Vaughn & Matilda de Vocht
