Submission:

As a ratepayer to Bellingen Shire Council I wish to inform ipart that I strongly oppose the Council's request for an 11.8% rate increase. I struggle to pay my rates and any increase will put me further into debt. ....besides Council;s work strategies are extremely inefficient so much of our hard earned rates will be wasted. I believe 'Roads to Recovery" grants should provide the money to do road/bridge infrastructure in Rural Shires.
