Subject: Blue Mountains proposed special rates increase.

I am writing to you to voice my disapproval of the proposed special rates Increase. I have lived and worked in the Mountains for over 15 years, and feel that the consultation process, the BMCC employed, is not a true reflection of community opinion. I have discussed this issue widely, both at work and socially, and have yet to meet anyone who supports a 40% increase in our rates. I believe most of our home owners are struggling to pay their rates at the current percentage. Thank you for your consideration..
