Subject: Proposed Canada Bay Council merge with Auburn Council

Sir/Madam,

The local government area of Canada Bay has very little in common with the Auburn area which is not considered to be part of the Inner West. Any amalgamation of Canada Bay should be within the inner west area.

Auburn has a large disadvantaged population - is \$15 million in debt and the council would probably be situated there to the detriment of the Canada Bay area.

Surely any amalgamations should be within the inner west area for future planning purposes.
