Submission: I have lived in City of Sydney for 45 years. There was pitiable development under both Labor and Liberal Party Mayors. It has been last 11 years or so that there has been visible improvement. You are all after the City's assets . just like the Labour Government

siphoned money out of the Waterboard. Both Labour and Liberal just want to oust the current Mayor and put their stooges in instead. REMEMBER PLEASE, WE VOTE AND WE DO NOT WANT TO BE AMALGAMATED.

NO TO BAIRD'S AMALGAMATION FLIGHT OF FANCY
