My name is Roderick Lee and I am a resident at [REDACTED] [REDACTED] in the Hawksbury. In reference to the pending takeover of water treatment by Sydney Water from the Hawksbury Council, I would like to strongly urge Sydney Water to spread the costs of upgrades and service provision across the entire Sydney Network, so that our costs are no higher than that of the average Sydney Resident. Just like the taxes which we all pay for roads, schools, hospitals, fire departments, the post office, the military, etc., water is an essential government service for the benefit of all peoples, and which should also never be privatised for the benefit of shareholders and billionaires. I agree to have my name and comments public. Sincerely, [REDACTED]
