Submission Review of Local Council Fit for the Future Proposals

Dear IPART

We are very concerned about the NSW Government's mega amalgamation of Councils and do not want the City of Sydney to be swallowed up by a 'mega council'.

There is overwhelming local opposition to a larger City of Sydney council area.

It is our view that the area will be too large and our local concerns ignored; our services from the Sydney Council are currently efficient and financially sustainable.

The NSW Government has not produced any evidence that amalgamations lead to better efficiencies; and that amalgamations will produce cost reductions and improved services.

Yours sincerely
