Re: TAHE Compliance Assessment - Hunter Valley - 2018-19 to 2019-20

Dear Ms Mitchell

I refer to the Independent Pricing and Regulatory Tribunal's compliance assessment for the five Hunter Valley rail network sectors within the NSW Rail Access Undertaking.

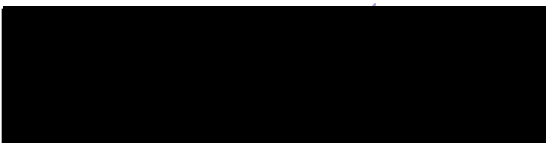

Qube Logistics (Qube) welcomes the opportunity to review the IPART compliance report and make a submission.

Qube supports the Tribunal's draft report and its interpretations of efficient cost.

Qube proposes that IPART encourage TAHE to work with rail operators to efficiently invest the \$11 million in network infrastructure to support the movement of coal and general freight along the Main Northern line corridor.

Thank you for the opportunity to comment on the compliance assessment.

Yours sincerely
