

Petition against Special Variation Rate's rise

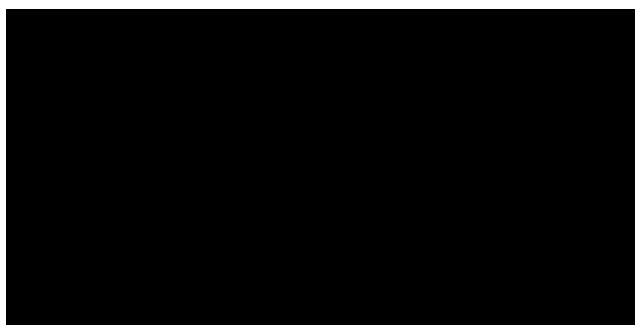

Community member 's, Rate payer's

The LGA in Tumut is proposing for a special variation rate rise which is 35.95% rates rise in total.

The LGA has sent an application to IPART (Independent Pricing & Regulatory Tribunal)

In which they then have to communicate with the community / rate payer's the Result of the application.

IPART need to hear from you & our community of this unjust increase by the 7 th March 2022 so that it might sway their decision with the community's Disapproval.
