Hello IPART Thank you for the opportunity to submit our view re maximum fares from Sydney Airport to Bowral (Southern Highlands) For a 4 seat taxi we charge \$320.00 incl GST in normal hours to Sydney Airport and \$340.00 for the return (return is slightly higher as there is a substantial walk from Terminal to the Taxi pick up area. A Maxi (7 or 11 seats) is \$450.00 forward and \$510.00 return. We are currently satisfied with the above prices as the economy is performing badly however once we see an improvement then we would hope that a fare increase of at least 10% was approved.. I understand that recently Uber have been given prime position at Sydney (and Melbourne) airport ranks, which is causing major financial damage to Sydney Taxis, which always had priority due to the extensive regulation they work under. It seems very unfair to support Uber where there are few regulations, resulting in travel which is not as safe as taxis, and where Uber pay little in Tax in Australia as the majority of their income is sent to an offshore Tax Haven. Regards Laurie Stewart, Southern Highlands Taxis
