|                        |        |                        | Dear IPART,  |  |  |  |   |  |
|                        |        |                        | Thank you for the opportunity for allowing me to make a submission regarding the special   |  |  |  |   |  |
|                        |        |                        | variation for Bayside Council. I would like to advise IPART to accept the proposal of a SRV  |  |  |  |   |  |
|                        |        |                        | (Special Rate Variation) for the following reasons:  |  |  |  |   |  |
|                        |        |                        |  |  |  |  |   |  |
|                        |        |                        | 1. The former Rockdale ratepayers have been paying more rates than the former Botany council.  |  |  |  |   |  |
|                        |        |                        | 2. To harmonise the rates of this merged council   |  |  |  |   |  |
|                        |        |                        | However, I would like IPART to investigate   |  |  |  |   |  |
|                        |        |                        |  |  |  | Rockdale ratepayers have been                                |   |  |
|                        |        |                        | 1. Why did Bayside Council decided to adopt the former Rockdale council minimum rate and not   |  |  | substantially disadvantage since the                         |   |  |
|                        |        |                        | the former Botany council minimum rate? Adopting the former Botany minimum rate would of   |  |  | merger of this council. IPART should                         |   |  |
|                        |        |                        | been more sensible, fair and logical approach for this merged council.   |  | IPART should investigate to adopting   | look into rejecting this 4 year increase                     |   |  |
|                        |        |                        | 2. The slow 4 year increase to minimal rates by the former Botany council? Rockdale ratepayers   |  | the former Botany council minimum  | and apply the full Bayside council                           |   |  |
|                        |        |                        | have been substantially disadvantage since the merger of this council. IPART should look into  | Bayside council works as a whole.        | rate. For fairness, Bayside council  | minimum rate in 2021/2022. This will                         |   |  |
| 1 4 0 0 0 1            |        |                        | rejecting this 4 year increase and apply the full Bayside council minimum rate in 2021/2022. This will ensure cohesion and the purpose of this merger. | disadvantage                             | should of averaged both former councils to derive a new Minimal rate.        | ensure cohesion and the purpose of this merger.              |   |  |
|                        | 1003 / | monymous               | I think that a hike in the rates is ridiculous.  |  |  |  |   |  |
|                        |        |                        | The council are neglectful and not for filling general duties.   |  |  |  |   |  |
|                        |        |                        | The streets are disgusting and filthy. The new bin collection is terrible and always late and  |  |  |  |   |  |
|                        |        |                        | rubbish strewn across the street. I really need to see value in the money we are forking out and   |  |  |  |   |  |

|  |                                    | I belonged to the Botany Bay Council but was merged with Rockdale Council which is now   |  |   |   |  |  |
|  |                                    | Bayside Council. Since then, the service delivered by the new Council is far from satisfactory.  |  |   |   |  |  |
|  |                                    | The grass on the front is so long and not mowed for a long time which is really an " eye sore".  |  |   |   |  |  |
|  |                                    | The whole street looks untidy and definitely not maintained by Bayside. We were very proud of  |  |   |   |  |  |
|  |                                    | our street and Council (Botany Bay) and not anymore. Bring back the services before any rate   |  |   |   |  |  |
|  |                                    | increase please. Infact, we should have a decrease in the Council Rates NOT increase in the  |  |   |   |  |  |
|  |                                    | rates. OR we should have our Botany Bay Council back and be separated from Rockdale. We  |  |   |   |  |  |
| Anonymous  | Anonymous                          | should have a DIVORCE .  |  |   |   |  |  |
| -  |                                    | I am strongly against Bayside Council's proposed SV.   |  |   |   |  |  |
|  |                                    | I am a resident-ratepayer from Mascot and under the previous Botany Council rate regime we   |  |   |   |  |  |
|  |                                    | were getting very much more and efficient services than under the amalgamated Bayside  |  |   |   |  |  |
| Anonymous  | Anonymous                          | Council.   |  |   |   |  |  |
|  |                                    |  |  |   |   |  |  |
|  |                                    |  |  |   | By my own calculations this will  |  |  |
|  |                                    |  |  |   | represent a 21.8% increase in my  |  |  |
|  |                                    | I oppose this rate increase as it will hurt working families who have lost income during 2020  |  |   | rates.  |  |  |
|  |                                    | because of Covid-19 and the rate increase process has not been transparent.  | I am a member of the Bayside Council   |   |   |  |  |
|  |                                    |  | community, I have no knowledge of  |   | Consideration must be given to the  |  |  |
|  |                                    | Bayside council has not told me by what percentage my rate will increase and has only provided   | special capital or operational   |   | natural monopoly that Bayside Council   |  |  |
|  |                                    | a table with dollar values making a fair comparison to neighbours difficult.   | expenditure above what has already   |   | is. I can not shop around for a lower   |  |  |
|  |                                    |  | been budgeted for.   |   | council rate. If a car or health insurer  |  |  |
|  |                                    | By my own calculations this will be a 21.8% increase which is quite extraordinary considering the  | , e  |   | increased my premium by a similar   |  |  |
|  |                                    | IPART approved Rate Peg is 2% for the 21/22FY.   | The justification given by Bayside   |   | percent I would simply change   |  |  |
|  |                                    |  | council (Letter to Ratepayer dated 28  |   | provider. This is not possible to do with   |  |  |
|  |                                    | Bayside Council has not justified strongly enough why certain members of their community had   | October 2020) has been that this will  | I have not received the cumulative  | Bayside Council unless I move.  |  |  |
|  |                                    | been receiving perfectly adequate local council services for many years prior to council   | bring rates in line with former Rockdale   | increase of the proposed SV in  |   |  |  |
|  |                                    | amalgamation and now must hand over considerably more money for the same level of service.   | Council residents.   | percentage terms.   | This increase presents an   |  |  |
|  |                                    |  |  |   | unreasonable impact to ratepayers   |  |  |
|  |                                    | The 'harmonisation' of rates is a flimsy excuse and the council needs to detail clearly what   | This is not strong enough justification for  | Bayside Council has not met this  | especially given the financial impact   |  |  |
| Anonymous  | Anonymous                          | improvements to services this additional revenue will provide.   | this criterion.  | criterion.  |   | No comment.  | No comment.  |

| Fi    | rst Name | Last Name | If you have any general feedback regarding your council's proposed SV, please leave your<br>comments in the comment box below.  | Your comments on Criterion 1:   | Your comments on Criterion 2:   | Your comments on Criterion 3:   | Your comments on Criterion 4:   |
|       |          |           | My family and I have lived in the Botany Bay council for over 40 years! We have been happy with Botany Bay council for many years UNTIL NOW. With the forced amalgamation with Rockdale Council by the Liberal party, we can now see the unwanted consequences now with the merge. An increase of extra \$215 per year from Bayside Council's plan to charge every resident is PUNISHMENT.  |   |   |   |   |
|       |          |           | This new Bayside Council seems like they don't care about our community especially after what we all have been through with covid-19. We are pensioners without the financial assistance of the government (not receiving pension!) and having to pay an extra \$215 per year with no extra services provided with the merge will absolutely kill us! Why should we be punished?  |   |   |   |   |
| 31 A  | nonymous |           | If you really care about the local residents please DO NOT raise the rates. We are struggling as it is and this will just add to the financial burden that we are all currently trying to get through post covid. You will have a lot of many unhappy residents and you will find that many will not be paying the increases that you plan to charge as it is NOT FAIR!   |   |   |   |   |

| 43 A  | nonymous |           | Confidential<br>This should not proceed since we have been forced to amalgamate their services are of very  | Confidential  | Confidential  | Confidential  | Confidential  |
| 44 A  | nonymous | Anonymous | poor delivery. They have not impressed the community at large . Gardens and lawns disregarded   |   |   |   |   |
|       |          |           | Since the amalgamation the service provided by Bayside Council has been poor, it has become apparent that the council board which is heavily dominated by Rockdale based directors has a bias to the previous Rockdale constituence. The Botany community is being penalised for the mismanagement of an incompetent council. The community is experiencing what can only be called urban sprawl and yet there is no evidence to suggest the council have considered the impacts, however simply believe they can increase rates because they approved approval to 10's of thousands of new developments. |   |   |   |   |
| 15 (  | opymous  |           | Whilst i understand that services can increase , i would like to understand how council came to<br>an increase of 39%, what was the methodology behind council decision.<br>Allowing such a significant increase would be another kick in the guts to the Botany constituence   | This is all well and good , however i am  | Again , this is well and good and yes<br>council advised , but there was no<br>detail around how they got to the<br>number? | How do council determine the affect<br>on ratepayers, are we being<br>discriminated against simply because<br>we live in the Eastern Suburbs?   | That's a process that is bias towa<br>council, why wouldn't the board<br>approve, it is beneficial to them. |
|       |          |           | Council rate is already high for the service we receive. It is totally unacceptable to increase rates without increasing general servicers and facilities in the previous Botany Council area.  |   |   |   | approve, it is beneficial to them.  |

How can this be allowed beyond what is a reasonable rise as per the low inflation rate, I, as the rest of the community are struggling financially where the inflation rate is low, the cost of all goods has significantly increased and wages have stayed low. We cannot afford it, and would struggle to pay such an increase in rates. The rate are based on the land value and as such have been rising accordingly, there is no justification to slug that much on residents in one year to make up for council shortfalls or mismanagement. The BAyside council have obviously reduced services in the old Botany Bay council area since amalgamation and increased service in the old Rockdale area, the the funding will be spent there. Ask any resident in the area and they know the reduction is services for residences, the parks and roads have not been maintained , offices closed. With the large amount of high rise units being approved and built in Mascot now ( not in the Rockdale area), the rates alone have provided a huge funding bonus to the council , not including the future building plans approved. What an absolute joke, you've just had a massive increase, you are doing no more than our last councilin fact much less (less mowing, less care on our roads, less work in the parks)and now you want another increase!? WE SAY NOOOOOOOOO!!!!!! | The community desires the funding to spent in all ares of the council fairly and evenly.  | My rates will increase by 25-30 % in 1<br>year, How would this be reasonable?<br>and affordable for the ratepayer.<br>You have just had a massive increase | My rates will increase by 25-30 % in 1<br>year, How would this be reasonable?<br>and affordable for the ratepayer.<br>There has been no alternative offered,<br>eg staggered rise over 5 years. just a<br>large hike in one rise.<br>You have just had a massive increase<br>how can you possibly justify this, how   | I have no seen them<br>You have just had a massive increase          | Your comments on Criterion 5:<br>There is no productivity improvem<br>and cost containment strategies fo<br>old Botany Bay council area, the of<br>has stated they want to increase t<br>rates /in line with Rockdale? and of<br>the funding for Rockdale.<br>The majority of the councillors res<br>the Rockdale area and have show<br>regard for the old Botany BAy are<br>As per above you are doing less t<br>our last council and you want mor<br>it!!??<br>You have just had a massive incre<br>how can you possibly justify this!? |

|              |           | The rate increase will put pressure on an already stressed out family - a rate increase of 39  |                               |   |  |   |  |
| 81 Jo        | Blows     | percent at anytime is out of order - rate increase should be less than ten percent - households need to budget   |                               |   |  |   |  |
|              |           | To even consider an increase in rates in the middle of a pandemic when families, individuals and   |                               |   |  |   |  |
|              |           | pensioners have lost jobs and income is abhorrent. This should not be passed or discussed  |                               |   |  |   |  |
|              |           | further let alone considered. STOP this ridiculous idea.   |                               |   |  |   |  |
| 82 Anonymous | Anonymous | Bayside has let down the former Botany Council residents since this forced merger and asking<br>for more money is a ridiculous notion.                 |                               |   |  |   |  |
| <u></u>      | /         | The residents of the old City of Botany Bay council area will also be hit with a increase to   |                               |   |  |   |  |
|              |           | "balance" the rate across the now Bayside Council area. That is Rockdale rate come down while  |                               |   |  |   |  |
|              |           | our go rates go up up up.  |                               |   |  |   |  |
|              |           | We had no debt in Botany yet we inherited Rockdale debt. That is fair?   |                               |   |  |   |  |
|              |           | This proposed rate increase of 39% would take council rate in Bayside Council area out of the  |                               |   |  |   |  |
|              |           | reach of current working class residents.  |                               |   |  |   |  |
|              |           | We are constantly advised in the media that inflation and CPI are low around 1-2% and yet this proposal to increase it significant above these values. |                               |   |  |   |  |
|              |           | The council services in our area went from a Council to just a orphan single ward to a council   |                               |   |  |   |  |
|              |           | that is over consuming income requirements. Services have been cut to the bone, our parks and  |                               |   |  |   |  |
|              |           | plant are not been looked after and our street not cleaned are regular if at all.  |                               | No supporting information have been   |  |   |  |
|              |           | This merger was to reduce the cost on running the council why are then now turning around and  |                               | supplied to resident on the need for  |  |   |  |
| 83 Sotiris   | Pazpinis  | requesting such a significant rate rise?   |                               | significant rate increase.  | The impact will be significant.                                      |   |  |
|              |           | Hi as a long term resident I believe any rate rise would be unfair especially under current covid  |                               |   |  |   |  |
|              |           | conditions and the obvious reduction in services especially on the Mascot/ Botany area. that has   |                               |   |  |   |  |
| 04 Data at   | D - 11    | occurred since Bayside was formed from Rockdale and Botany councils.   |                               |   |  |   |  |
| 84 Robert    | Bell      | Sincerely, Robert F Bell.<br>PLEASE reconsider this increase! The detrimental effects this will have on our community is                               |                               |   |  |   |  |
|              |           | going to ruin a lot of livelihoods in our area. Most of us are still struggling to recover from the  |                               |   |  |   |  |
|              |           | devastation of 2020. Listen to the people in the communities you're looking out for. And stop this   |                               |   |  |   |  |

|                        |                     | I do not think it is fair that rates are increased for pensioners. Why can't all councils give free<br>rates to those on pensions as does the City of Sydney. A measly \$250.oo's is very little help<br>when you have to exist on the pension and keep up the maintenance on your home and pay the<br>insurance etc. The Federal Government want to keep as many pensioners as possible in their<br>homes with Home Care but the councils are trying to force them out by putting financial<br>pressure on them.<br>The large building spree in the lower part of Mascot which has increased the population by<br>thousands must have increased the councils income by quite a large sum so why do they want | the old City of Botany Bay have lost<br>many of the little niceties that were<br>provided like the \$25.oo's a year to<br>encourage people to have their kerbside<br>lawn mowed or lay a street garden.<br>Their street lawns (for those that are<br>needed) are not mowed as often as they<br>used to be nor are the streets swept as | are part of the City of Botany Bay are  | gone along with it. Many of the<br>people living in the area have been<br>here for years and have worked in the<br>surrounding (now extinct factories and<br>businesses) area. The have not<br>enjoyed the large salaries that people<br>now receive and do not wish to move<br>from the area but will be crucified by<br>the raise in rates that the council is   |                               |                               |
| 38 Anonymous           | Harvey              | I don't agree with a rate rise as we have only seen a deterioration in services since botany council became bayside.  | often.   | Neglected by the combined council.<br>We do not deserve a rate increase.<br>Services have deteriorated. A 39%<br>increase is out of this world and not<br>acceptable. | basing on their land values.<br>I am a pensioner. I have lived in<br>Eastlakes for 68 years. I have seen a<br>deterioration in the services since<br>bayside council took over from botany<br>council. I do not think that the<br>proposed increase in rates of 39% is<br>warranted or good value for the<br>services we receive. We have lost our<br>street cleaner and our street apart<br>from the day the mechanical cleaner<br>comes once a fortnight is covered in<br>leaves and bark from trees. Our<br>council strips are rarely mowed. The<br>nice appearance we had under botany<br>council is lost. The increase will stretch<br>my tight budget even further. What will<br>we receive in return? |                               |                               |
|                        | -                   | Don't they know people are suffering financially because of Covid19? Are there increased  |  |   |  |                               |                               |
