Dear Mr Cox

Thank you for your invitation of 2 August 2011 (your ref 11-114) to make a submission on the application by Aquacell Pty Ltd for a Retail Supplier's licence and a Network Operator's licence under the *Water Industry Competition Act 2006*.

It is understood that the source water for this project is being obtained from Sydney Water's sewer mains and sewage from the main building associated with the water treatment plant. As such, no licence or approval would be required under the *Water Management Act 2000* (WMA).

The application raises no issues in relation to my responsibilities under the WMA.

Yours sincerely

30 SEP 2011

Katrina Hodgkinson MP
Minister for Primary Industries
