

Water Industry Competition Act 2006

Schedule 4, clause 10

Notice of decision – Grant of scheme approval

Approval No. 25_035SA

The Independent Pricing and Regulatory Tribunal (**IPART**) grants the scheme approval for the Sydney Desalination Plant scheme under Schedule 4, clause 10(1) of the *Water Industry Competition Act 2006* (**Act**).

The scheme approval takes effect on 1 March 2025.

In considering whether to grant the scheme approval and what conditions to impose on the approval, IPART had regard to the objects in sections 2A and 5A of the Act.

The scheme approval is attached.

Approval Authorisation Table

Scheme name	Sydney Desalination Plant
Approval number	25_035SA
Version history	Current approval in force since: 1 March 2025. Details about grant, variation, replacement, cancellation or surrender of this approval are set out in Schedule A.
Regulated scheme (retailer required)	No
Staged scheme (the Act, s 7F(1)(f))	No
Area of operations (the Act, s 7F(1)(a))	The area specified in Schedule H. (The map in Schedule B shows a simple illustration of the area of operations. Refer to Schedule H for the precise area of operations.)
Authorised location of infrastructure, other than pipelines within the reticulation network connected to the infrastructure (the Act, s 7F(1)(b))	The locations specified in Schedule I. (The map in Schedule B shows a simple illustration of the locations of infrastructure. Refer to Schedule I for the precise location.)
Authorised classes (the Act, s 7F(1)(c))	☒ Infrastructure for the purpose of the production or supply of drinking water ☐ Infrastructure for the purpose of the supply of drinking water ☐ Infrastructure for the purpose of the collection and treatment of sewage for disposal and the disposal of the treated sewage ☐ Infrastructure for the purpose of the collection and treatment of sewage for the production, supply and use of recycled water

-
- ☐ Infrastructure for the purpose of the capture and treatment of stormwater for the production, supply and use of recycled water
 - ☐ Infrastructure for the purpose of the collection and further treatment of recycled water for the supply and use of the further treated recycled water
 - ☐ Infrastructure for the purpose of the collection and treatment of groundwater for the production, supply and use of water
 - ☐ Infrastructure for the purpose of the collection and treatment of wastewater, other than sewage, stormwater or recycled water, for the production, supply and use of water

Authorised drinking water infrastructure
(the Act, s 7F(1)(d) and (e))

Infrastructure for the purpose of the production and supply of drinking water that:

- a. is specified in Schedule C, Item C1,
- b. has a design capacity that does not exceed the authorised maximum scale of 500,000 kilolitres per day measured as a rolling average over 365 days, and
- c. is to be operated for the purposes specified in Schedule C, Item C2.

Authorised sewerage infrastructure
(the Act, s 7F(1)(d) and (e))

Not authorised

Authorised recycled water infrastructure
(the Act, s 7F(d) and (e))

Not authorised

Approval Terms

1. Grant and authorisation

- 1.1 The Independent Pricing and Regulatory Tribunal grants this approval under the Act, Schedule 4, clause 10(1).

Note: This approval is deemed to be an approval granted under section 7B of the Act.

- 1.2 This approval authorises the registered operator to construct the authorised infrastructure for the authorised purposes in the area of operations in accordance with the specifications set out in this approval.

Note: This clause authorises the registered operator to carry out certain activities that would otherwise be prohibited under section 6 of the Act. This authorisation does not provide an exemption from obligations under other laws unless expressly provided by those laws.

2. Approval conditions

- 2.1 The authorisation in this approval is subject to the standard approval conditions specified in Schedule G, Item G2 and the special approval conditions specified in Schedule G, Item G3.

Note: The Act and Regulation contain additional conditions.

3. Interpretation

- 3.1 Expressions used in this approval that are defined in the Act or Regulations have the meanings set out in the Act or the Regulation unless the context otherwise requires.

- 3.2 In this approval, unless the context otherwise requires:

- a. the singular includes the plural and vice versa,
- b. a reference to this approval includes any schedule to this approval,
- c. a reference to a schedule is to a schedule to this approval, and
- d. explanatory notes and headings do not form part of this approval, but in the case of uncertainty may be relied on for interpretation purposes.

- 3.3 In this approval:

Act means the *Water Industry Competition Act 2006*.

area of operations means the area specified in the approval authorisation table.

authorised infrastructure means the water industry infrastructure specified in the approval authorisation table, including (as specified):

- a. authorised drinking water infrastructure,
- b. [Not applicable]
- c. [Not applicable]

Regulations means any regulations made under the Act.

Schedule B Illustrative map

The area of operations and authorised location of infrastructure are set out in Schedule H and Schedule I using GIS coordinates. The map in this schedule is included for illustrative purposes only. If there is an inconsistency between the map and the GIS coordinates in Schedule H or Schedule I, the GIS coordinates prevail unless they contain an obvious error or misdescription. If there is an obvious error or misdescription, this map may be used as an interpretative tool to assist to identify the boundary.

Sydney Desalination Plant

- the location that the water industry infrastructure, other than pipelines within the reticulation network connected to the infrastructure, is authorised to be constructed
- the area (the area of operations) within which the water industry infrastructure, including a reticulation network connected to the infrastructure, is authorised to be constructed

Schedule C Authorised drinking water infrastructure

Item C1 Specified infrastructure

The following water infrastructure used, or to be used, for or in connection with the production and supply of desalinated drinking water from sea water:

- (a) desalination treatment plant and other infrastructure in connection to the treatment plant including intake, outfall, remineralisation and disinfection infrastructure,
- (b) pipelines and tunnels, including ancillary infrastructure such as pumping stations, and
- (c) storage tanks.

Item C2 Authorised purposes

The authorised purposes for which the drinking water infrastructure specified in Item C1 is intended to be operated are the:

- (a) production of drinking water from sea water,
- (b) further treatment of drinking water,
- (c) filtration of drinking water,
- (d) storage of drinking water,
- (e) conveyance of drinking water, and
- (f) supply of drinking water to customers, other than a small retail customer.

Schedule D Authorised sewerage infrastructure

Not authorised

Schedule E Authorised recycled water infrastructure

Not authorised

Schedule F Staged scheme

Not applicable.

Schedule G Approval conditions

Item G1 Interpretation

If any condition, or part of any condition, is unlawful, that condition, or part of the condition, is severable and does not affect the validity of the approval or the balance of the conditions or condition.

Item G2 Standard approval conditions

G2.1 Maintaining appropriate insurance – design phase

- 2.1.1 The registered operator must hold, or ensure that any person it engages to design water industry infrastructure for the scheme holds, professional indemnity insurance in relation to the scheme during the design phase and for a minimum of 6 years from the date of the completion of the design phase.
- 2.1.2 In this condition G2.1, **design phase** means the period during which any design works are carried out in relation to the water industry infrastructure for the scheme.

Item G3 Special approval conditions

G3.1 [Not applicable]

G3.2 [Not applicable]

G3.3 [Not applicable]

G3.4 [Not applicable]

G3.5 [Not applicable]

G3.6 [Not applicable]

Schedule H Area of operations

The area of operations is the area bounded by the GIS coordinates listed in Item H1.

Item H1 GIS coordinates for outer bounds of area of operations

Note: Coordinate reference system is MGA 56
