Dear Sir

INTENTION TO APPLY FOR A SPECIAL VARIATION s508(2)

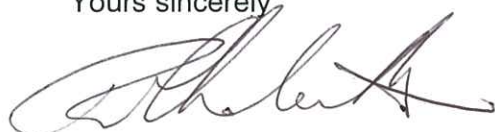

Ref: bb/RC/SF6426

In accordance with IPART's Guidelines for the preparation of an application for a Special Variation to general income in 2015/16, Tamworth Regional Council advises of its intention to apply for a Special Variation under s508(2) of a one-off permanent increase of 6.7% above the forecast rate peg of 2.4% for a total increase of 9.1%.

This rate increase is to create a new works fund to pay for new infrastructure projects as per Councils adopted 2014 Tamworth Regional Infrastructure Strategy.

Tamworth Regional Council is currently undertaking significant community education and engagement about its intention to apply for a Special Rate Variation under section 508(2) for 2015/16. Council is meeting on Tuesday 16/12/2014 and will determine, at that meeting, whether to continue with the application.

Yours sincerely
