I PART

Local Government Division

Review of "Fit for Future"

P.O. Box K 35

HAYMARKET Post Shop NSW 1240

SUBMISSION:

- * Proposal appears to suggest stronger councils subsidise weaker councils financially.
- * Seriously, if this is needed then a much bigger discussion / debate is needed - democratic.
- * One option would be to move to Regional Councils AND abolish State Government and its implementation arm of local councils.
- * Members of each Regional Council to be democratically elected.
