Re: Section 508 (2) Continuing Variation – 2013/2014

I refer to my email of 17 December 2012 and confirm that Council will be seeking a section 508 (2) Continuing Variation from 2013/2014

At this point in time, Council proposes to an additional levy of between 3%-5% above the rate pegging limit to fund Council's contribution of the costs of a Betterment Project on Council's local road network and in particular the unsealed, black dirt sections of that network which become impassable after heavy rain.

Yours faithfully

Don Ramsland
General Manager
