Dear Sir

Additional Special Rate Variation

Thank you for considering Council's application for an Additional Special Variation to its rating base for 2022-23 and beyond.

Council's most recent Long Term Financial Plan was adopted on 15 August 2019. It is appreciated that the ideal situation is that there should be continual monitoring of the LTFP to measure effectiveness and respond to change. Unfortunately the updating of the Warrumbungle Council LTFP has been hindered by Council's ability to attract appropriately qualified staff and also by the Covid-19 pandemic and the need to focus on other priority areas.

With the recent election of the new Council the LTFP is currently under review and updating.

Should you have any questions then please contact me.

Yours sincerely

ROGER BAILEY
GENERAL MANAGER
