Dear Sir,  
I am writing on behalf of  
Bastwights Hill CWA Branch regarding  
changing Electricity charges for Churches, Fire  
sheds, Community halls, etc. We are only  
a small branch of 18 members, most of them  
elderly (55-91), and we find it very hard  
to raise money, to cover cost. As we are  
not a business, perhaps we could have a  
"Rural Residential" Rate or set a new  
classification for Halls, Churches, and Fire sheds  
yours faithfully  
Joyce Mattingly (Hon Sec)
