Re. Regulated Retail Prices for Electricity 2004.

Dear Sir,

On behalf of Mathella bausung Park Branch
of "The Country Women's Association of h. A. W."
I forward our submission to urgently investigate
changing Electricity charges for churches, fire sheds,
community Halls etc from a "Business Rate" to
a "Rural Residential" Rate or set a new
classification for the above facilities.

Our organisation is not a "business". We are
a voluntary organisation.

Yours sincerely
(Mrs) Anne. E. Phegan
President.
