The Independent Pricing and Regulatory Tribunal (IPART) is conducting a review under Section 11(1) of the Independent Pricing and Regulatory Tribunal Act 1992 to determine maximum prices that can be charged by State Water Corporation and the Water Administration Ministerial Corporation for the provision and supply of bulk water from 1 July 2005.

The Tribunal has released an Issues Paper to provide relevant background information and key issues to assist the water businesses and other interested parties in making submissions. Submissions by the water businesses are due by 29 October 2004 and will be made public on IPART's website (www.ipart.nsw.gov.au).

Interested members of the public and stakeholder organisations will have the opportunity to review the agencies' submissions and make submissions by 17 December 2004. Unless a specific request is made for confidentiality, submissions will be made available to the public. Any claim for confidentiality should be clearly displayed on the front of the submission.

The Issues Paper may be downloaded from IPART's website at www.ipart.nsw.gov.au. Alternatively, please contact Ms Anna Burela on (02) 9290 8472 to obtain a copy. Questions concerning the review can be directed to Mr Richard Warner by telephone on (02) 9290 8406.
