

New South Wales

Water Industry Competition Act 2006 (NSW)

Notice of approval to bring new infrastructure into commercial operation

I, The Hon. Don Harwin, MLC, Minister for Energy and Utilities, under clause 2 of Schedule 1 to the *Water Industry Competition (General) Regulation 2008* (NSW) (**Regulation**), approve Huntlee Water Pty Ltd (ACN 167 418 608) (**Huntlee Water**) to bring into commercial operation, all new infrastructure which:

1. is infrastructure to which Huntlee Water's network operator's licence (licence no. 15_030) (**Licence**) applies;
2. existed as at 5 August 2018; and
3. is of the kind described in each of Table 1.2, Table 2.2 and Table 3.2 of the Licence.

I have considered the request from Huntlee Water for this approval, as well as the following report, which was prepared by an 'approved auditor' within the meaning of the Regulation.

1. "New Infrastructure Report (Recycled Water Treatment Plant), version 6", dated 5 August 2018.

I am satisfied that the report indicates that the new infrastructure:

1. complies with the requirements of the Regulation and the conditions of the Licence; and
2. is capable of operating safely and in accordance with Huntlee Water's infrastructure operating plan, water quality plan (non-potable water) and sewage management plan.

The Hon. Don Harwin, MLC
Minister for Energy and Utilities
