### Water Industry Competition Act 2006 (NSW)

#### Notice of approval to bring new infrastructure into commercial operation

I, The Hon. Niall Blair, MLC, Minister for Lands and Water, have considered the request by Huntlee Water Pty Ltd (ACN 167 418 608) (**Huntlee Water**) for approval to bring new infrastructure into commercial operation under the *Water Industry Competition Act 2006* (NSW). The new infrastructure is infrastructure for non-potable water reticulation network as specified in Table 1.2(2); drinking water reticulation network as specified in Table 2.2; and sewage network as specified in Table 3.2(2), of Schedule A of Huntlee Water's network operator's licence (licence no. 15\_030) (**Licence**).

I have considered the reports prepared by an 'approved auditor' within the meaning of the *Water Industry Competition (General) Regulation 2008* (NSW) (**Regulation**). The reports are included as **Attachment A**. I am satisfied that the reports indicate that the new infrastructure:

1. complies with the requirements of the Regulation and the conditions of the Licence; and
2. is capable of operating safely and in accordance with Huntlee Water's infrastructure operating plan, drinking water quality plan, recycled water quality plan and sewage management plan.

I therefore give my approval under Schedule 1, clause 2 of the Regulation for Huntlee Water to bring the new infrastructure into commercial operation.
