

New South Wales

Water Industry Competition Act (NSW) 2006

Notice of approval to bring new infrastructure into commercial operation

I, The Hon. Niall Blair, MLC, Minister for Lands and Water, have considered the request by Lend Lease Recycled Water (Barangaroo South) Pty Ltd (ACN 158 168 686) (**LLRW**) for approval to bring new infrastructure into commercial operation under the *Water Industry Competition Act 2006* (NSW) The new infrastructure is infrastructure for the storage, conveyance or reticulation of sewage as specified in Table 3.2A of Schedule A of LLRW's network operator's licence (licence no. 15_029) (**Licence**) excluding infrastructure for the treatment of sewerage.

I have considered a report prepared by an 'approved auditor' within the meaning of the *Water Industry Competition (General) Regulation 2008* (NSW) (**Regulation**). The report is included as **Attachment A**. I am satisfied that the report indicates that the new infrastructure:

1. complies with the requirements of the Regulation and the conditions of the Licence; and
2. is capable of operating safely and in accordance with LLRW's infrastructure operating plan, and sewage management plan.

I therefore give my approval under Schedule 1, clause 2 of the Regulation for LLRW to bring the new infrastructure into commercial operation.
