

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
11:27:44 AM

This is a rip off of people who invested in solar panels and help to sustain a clean environment.. How may more robberies are in store for us? You should be well aware of the fact that these methods were widely used in communist countries. Whatever belonged to you was simply taken away. I am sure that nobody realizes that and I am, therefore, asking myself - where on earth have we arrived?
