Submission: I am a medically retired Veteran. I already pay \$50/m to Hunter Water. This is to cover my sewerage, water supply and consumption. We are a family of 5. We do get a discount due to me being a Veteran. But we still pay \$50/m to keep on top of the bill. We cannot afford a 24% hike in charges from Hunter Water. We juggle the standard yearly rise as it is. We are on a fixed pension income. I as well as many others cannot afford such a rise.

Kind regards,
