SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
1:31:16 PM

I support a fair price for solar;
The feed-in tariff should increase in line with the wholesale price of electricity;
The feed-in tariff should be regulated so retailers should have to offer it as a minimum rate;
The feed-in tariff should represent the true value of solar, this means recognizing the environmental and health benefits and the network benefits of rooftop solar
Yours etc, Bruce Menchin
