SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
10:30:15 AM

As an owner of 2 properties both with solar (5.5kw and 3kw) I am extremely dissapointed that my feed in Tarif dropped from 60 cents to 6 cents per kw. The electricity companies are not paying a fair rate for our input, an increase to 12 cents per KW will be a step in the right direction.
