

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Saturday, 20 May 2017

8:33:38 PM

I support a fairer price for solar - a price that reflects its worth and closer to what we were initially promised. The feed in price should be regulated so customers are fairly treated. As a nation we need to be moving towards a sustainable future that leaves hope for our children.
