Submission: I'm writing to you in regards to the new changes for the opal card. Some people can't afford to pay more for travel. As for myself I'm on a adult card and that will cost me \$8.40 for A to B that's a bit too much for a one way cost.. this is an absolutely rip off.. I'm sick of all the prices going up.. soon we aren't gonna be able to pay for anything. Because of all the changes youse apparently do nearly every year.. It's not fair to all the Australian residence who live in this country. To suffer and to pay more for travel..
