

**SUBMISSION TO IPART REVIEW**  
**SOLAR FEED-IN TARIFFS 2017/18**

**Tuesday, 9 May 2017**  
11:18:15 AM

Please accept this as a submission on IPART's proposal to increase solar feed-in tariff benchmark

I support a fair price for solar

With feed-in price in line with wholesale electricity prices which should not be just a Benchmark but regulated to ensure retailers offer it as a minimum price the environmental advantages are enormous and should be considered thanking you for the opportunity to comment
