**SOLAR FEED-IN TARIFFS 2017/18**

**Tuesday, 9 May 2017**  
8:23:32 PM

I support strongly the proposed change to the feed-in tariff tied to the wholesale price. I have had solar panels for six years to do my bit for renewal energy and would like to see continued growth of renewables for the sake of my grandchildren's future with regard to Climate Change. The increase in tariff is important for encouraging renewables and should be mandatory for suppliers
