

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Friday, 19 May 2017

9:40:46 PM

I wish to bring to the attention of IPART, the need to regulate the FIT to more fairly represent the value of Rooftop Solar generated electricity, which at the present rate of return is subsidising the profits of our Electricity supplier, and not offering a fair return on our investment.
