SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
10:40:43 PM

I am a strong supporter of a fair price for solar and that the feed in price restrictions are ridiculous and unfair. I am charged over 31 cents per kw for using supplied electricity and am only getting 10 cents feed in tariff for the electricity I supply to the grid. The power companies are ripping us off big time.
