

SUBMISSION TO IPART REVIEW
SOLAR FEED-IN TARIFFS 2017/18

Tuesday, 9 May 2017
4:32:33 PM

IPART needs to ensure that the changes in solar rebates are enforced by the energy companies. In fact the feed-in tariffs should be substantially increased as the and represent the TRUE value of the energy produced by the home-owner. I would therefore support ongoing scrutiny at a government level of a fair price for solar production.
