

**SUBMISSION TO IPART REVIEW**  
**SOLAR FEED-IN TARIFFS 2017/18**

**Saturday, 20 May 2017**

8:28:21 AM

I support a fair price for solar and think that solar panel owners deserve a good price as we are not hurting the environment. I have had my solar panels for a long time and was getting the 60 cents but now only get 8.2 cents which is more than some but it is still not enough.
